

## Oral Comprehension (Listening)

## Discussing News Headlines

1

Type of resource	Didactic task for oral comprehension.
Description of the resource	This resource offers a set of activities related to a news headline to develop listening skills at a B2 level.
Target population	This lesson can be used by both language teachers for their classes or language learners for self-study.
Resource designer	Edwin Londoño Alape, language teacher at UNAD, Schools of Educational Sciences, 2023.

### Discuss the Headline “Driver Issued Citation”

This lesson will use a video from YouTube, but the idea is that teachers/learners download just the audio from the video. This audio will be used to develop the activities below. After developing the activities, the video can be seen for better comprehension. The subtitles of the video can also be consulted.
